

# Library-in-a-Box

- Story Box is a dispenser of short content.
- The standard Story Box has thousands of carefully curated stories, poems, books, facts and puzzles, that users can print instantly at the press of a button.
- Story Box encourages hesitant readers to overcome their fears and read regularly, while providing interested readers with short reads that fit their busy schedules.

STORY BOX

Short content at the  
press of a button

- Story Boxes can be set up at all locations. They just need a semi-indoor space and an AC power supply.

halls

# Key Features of the Story Box

- **Instant library**

- Across genres & reading levels.

- **No screens**

- Easy to carry, physical printouts.

- **Short content**

- Quick reads.

- **For all age-groups.**

- From pre-primary to grown-ups.

- **Works offline**

- Internet required only for updates.

- **All languages**

- Prints content in all Indian and world languages. Currently English, Telugu and Hindi.

- **Safe and low-cost paper**

- Phenol-free, non-toxic thermal paper with durable print. Environmentally safe.

- **Easy to use**

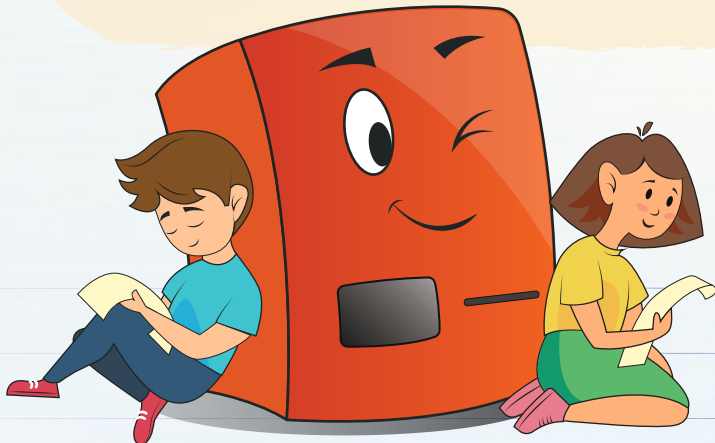

- No need to refill ink or replace cartridges. Only replace a paper roll after every 750 prints.

- **Customisable**

- Customise content specific to location. Including marketing material.

- **Your Story Box, your logo**

- Your logo on every printout.

# Simple, Easy User Interface
